

ESHAN SINGH

PROFESSIONAL SUMMARY

Seasoned developer experienced developing applications, databases, and cloud computing solutions. Smart professional with proven troubleshooting and debugging capabilities for resolving complex technical issues.

ACCOMPLISHMENTS

- Mentored five new employees to bring them up to speed on projects, resulting in quicker overall completion milestones.
- Received a MAD (Made A Difference) award from senior management for developing an Azure Function application and reducing web server latency.

WORK HISTORY

Software Engineer, 03/2023 to Current
Incedo Inc - Gurugram, Haryana

- Updated old code bases written to modern development standards, improving functionality.
- Developed and delivered microservices within the deadlines set by the client.
- Developed robust, scalable, modular, and API-centric infrastructure using ASP.NET Core and C#.
- Reviewed project specifications and designed technology solutions that exceeded performance expectations.
- Improved performance of wrapper REST APIs by upgrading legacy WCF services and redeploying them to Azure using APIM

Software Engineer Trainee, 07/2022 to 03/2023
Incedo Inc - Gurugram, Haryana

- Worked closely with peers to identify issues and provide suitable resolutions.
- Develop scalable serverless Azure Function apps that meet user needs and boost productivity.
- Improved overall performance of VB.Net/.Net framework code base by correcting, modifying, and upgrading it to .NET core 2.0.
- Contributed ideas and suggestions in scrum meetings and delivered updates on deadlines, designs, and enhancements.

Intern, 01/2022 to 07/2022
Incedo Inc - Gurugram, Haryana

- Participated in workshops and presentations related to projects to gain knowledge.
- Explored new technologies and approaches to streamline processes.
- Analyzed problems and worked with teams to develop solutions.
- Automated timesheet tracking and process monitoring by developing a .NET MVC application.

EDUCATION

B.E, Electronics and Communications, 07/2022
Thapar Institute of Engineering and Technology - Patiala

CERTIFICATIONS

Microsoft Certified: Azure Fundamentals (06/2022 - Present)
Microsoft Certified: Azure Developer Associate (AZ-204)
